Pilou (Grégorhy Adréa)

Web developer · French–Japanese translator · French teacher (FLE)

PROFILE

Born in Paris with Martinican roots, living in Japan since 2014. I connect France and Japan through web development (Shopify, JavaScript), French–Japanese translation and interpreting, French teaching, and several years in luxury hospitality.

EXPERIENCE

2023 – present
Web developer (self-taught)
Shopify stores, websites and business web apps (PWA); AI used as a co-pilot.

July 2025 – present
Hospitality — night shift
New establishment in Fukuoka, alongside web projects.

2019 – May 2025
Luxury hospitality — night shift
One of Japan's leading luxury hotels; built internal tools for the team.

2015 – present
French teacher & cultural facilitator
Japanese schools and universities; private lessons.

2014
Internship — Institut français, Fukuoka
Came to Japan for a six-month internship… and settled in Fukuoka.

EDUCATION

2008 – 2011
INALCO, Paris
Japanese language and civilization studies.
